10. Student feedback mechanism on : Yes (We have implemented the on line feed back system at
 Institutional Governance/ the Institute. The students will give their feedback in semester wise
 Faculty Performance immediate after the completion of semester.
11. Grievance redressal mechanism : The CUTM is organizing guardian feedback system regional
 wise every year immediately after completion of the semesters.
 The performance of the student is recorded in semester wise
 and informed to their parents through letters / emails. In the
 guardian’s meeting we are trying to get the opinion from the
 parent about the institution and accordingly we are trying to
 sort out the problems arises in the area academic and
 administrative. The facilities we have given to the students are
 monitor and trying to improve, if they are deemed to be fit.

At the institution level we have installed software called “Students feedback system” which is online based software and the students can give their semester wise feedback about

the academic and administrative facilities they are enjoying during the semester. A grievance box is also installed at the Central Library and a student can also mail his grievance to the Principal if he / she wants to inform any confidential thing. On the basis of above, the institution is collecting the periodical feedback from the guardians as well as students and trying to improve overall performance of the institution.
